1. [REDACTED] Comment. This train is believed to have been one of the three trains which according to records of the Berlin regional railroad headquarters went from the area of Rathenow to Eberswalde on 9 October 1952. [REDACTED] A unit of the 63d AAA Div (US) probably returned to Eberswalde and Britz from the field exercises of the Fourth Gds Mecz Army in the area south and east of Rathenow.

the division at the Delius Kaserne Sued on 10 October. [REDACTED] Information contained in the present report indicates that the Hohenlohe Kaserne and the Ludendorff Kaserne were also occupied by units of the division, possibly elements of the unidentified gun artillery brigade which is carried in the south section of the Delius Kaserne. This confirms the preparations for occupation which were previously reported. [REDACTED]

25X1

25X1

[REDACTED] the north section of the Delius Kaserne was occupied to capacity by units of the 30th Gds Gun Arty Brig. [REDACTED]
